LOCAL MENTION.

LOUIS BUSH VICTORIOUS.

Secures Sole Agency in Washington for Celebrated Monastery Beer.

Celebrated Monastery Beer.

Mr. Louis Bush, of 1305 E Street, has been successful in securing the sole agency in Washington for the distribution of the original and genuine Monastery Beer. This is a signal victory for Mr. Bush, for Monastery is famous throughout the country, because of its creamy richness and undoubted purity. This beer is brewed by the old-fashloned process, and is the same today as it was in the days of our grandfathers. A \$5,000 guarantee stands as a most convincing argument that it is a strictly all mait and hop beverage. Mr. Bush has recently added a magnificently appointed ladies' and men's cafe, which occupies the second floor of his establishment.

Legare Goes Into Business.

Alexander B. Legare, who has been chief clerk in the office of the Assistant Secretary of the Navy since 1885, has resigned his position at the Navy Department and will engage in the real estate. business in Washington.

A Popular Host.

A Popular Host.

A host in himself, and a popular one at that, is Mr. Michael T. Green, who recently removed his establishment from \$29 Seventh Street southwest, to 1301 Seventh Street northwest. He has made a proper move, and his new location is the gathering place of all his friends, whom he numbers by the thousand. They are all unanimous fin expressing their appreciation for his catering to their comforts, and giving them the best of wines, liquors, and cigars. His excellent "Canoe Club" rye whiskey, bottled for family and hotel trade at \$1 a full quart, is a good thing to have on the sideboard. A call upon Mr. Green will convince you that he is a good fellow, and has a fine place, which is stocked with the best of everything.

Caesar Floats Again.

The United States collier Caesar, which was grounded off the West Florida coast, has been floated. A dispatch was received by the Navy Department yesterday afternoon from Capt. A. A. Bicknell announcing that the vessels sent to the relief of the Caesar managed to float the collier.

Too Much Gas.

The District Commissioners are cor The District Commissioners are considering the protest submitted yesterday by residents of South Brookland against the Pintsch Gas Company being allowed to manufacture and store gas on property recently purchased by the company in that locality. The protestants say that such a use of the property will depreciate the value of other land in the neighborhood.
